

## Final Conference of the ValidVol project 12 November 2015 Pisa, Italy

Dear participant,

In few days we will meet for the Final Conference of the ValidVol project. Hereby you can find the basic logistic information to reach the venue of the meeting. The meeting point for having a common dinner among the participants in the conference is on **Wednesday evening, 11 November 2015 at 19.30 in the hotel's hall.**

### Accommodation

We booked single rooms with breakfast for all participants. The hotel has also a restaurant where we will have the majority of our meals.

#### **GRAND HOTEL DUOMO**

Via Santa Maria, 94 - 56126 PISA

## The venue of the conference

The conference will take place at **Bastione Sangallo, Giardino Scotto, Via Giovanni Bovio, Pisa**

## How to get to the hotel from Pisa Airport

The Compagnia Pisana Trasporti (CPT) buses connect the Airport to Pisa's city centre every 10 min.

Click <http://www.cpt.pisa.it/orari/pisa/linea1.htm> to view the route of Red LAM line; the bus stop you can use to get to the hotel is **Torre 1**.

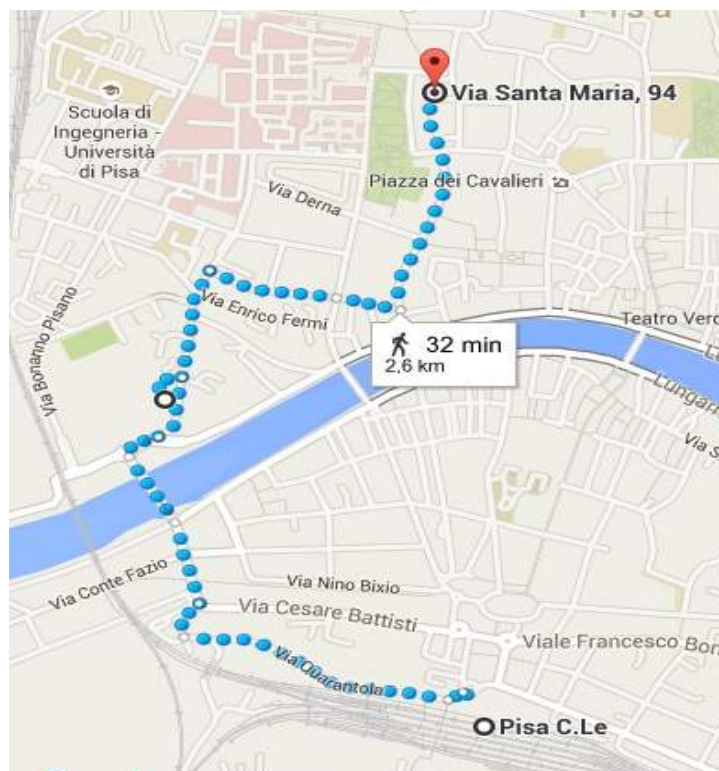

There is as well a night line, no.21, click <http://www.cpt.pisa.it/orari/pisa/linea21.htm>, with almost the same stops.

On the web site, clicking on the name of the bus stop you can see the detailed timing.

Once you leave the bus, walk for about 5 minutes along the square leaving the Cathedral and the Tower on your left, then turn right in **Via Santa Maria**; on the left you can find the hotel at no.94.

## How to get to the hotel from Pisa Train Station (Stazione FS)

Use the same bus lines indicated above.

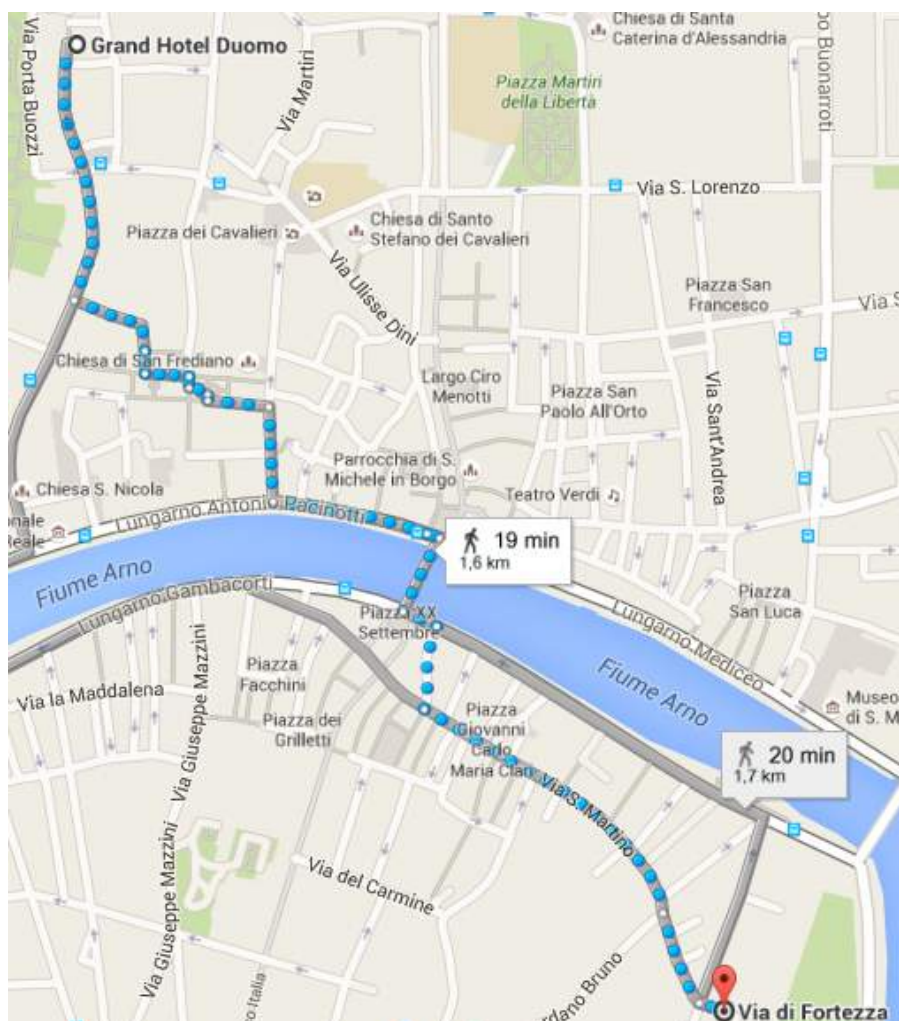

## How to get to Bastione Sangallo from the hotel

It is possible to take the “Navetta E” from Piazza Cavallotti, located 2 minutes walk south of the hotel, and drop off at the stop “Pacinotti 3”. After that, there’s still 8 minutes walk until the destination. It would be probably faster to just go to Via Bovio directly on foot. As reported in the map below, this will take up to 20 minutes.

On the right, the bust stop “Pacinotti 3”. From there, take the bridge and continue by following the pedestrian route (see below)
